REMINDER
USI Partnership: Colin Needs Your Help

Dear Partners,

On July 21, 2019, I'll be taking on the ASICS London 10K as part of Team Xpediator.

We're running the race to raise funds and awareness for Transaid, our partner charity who help transform lives in sub-Saharan Africa. Funds raised from the challenge will go directly to Transaid in order to ensure that they can provide safe and sustainable transport solutions in rural communities.

Strengthening rural emergency transport systems is essential in the case of severe illnesses, such as malaria, as it is vital that treatment begins within the first 24 hours of symptom onset. Children diagnosed with malaria are transported by bicycle ambulance (provided by Transaid), a safe and effective mode of transport helping to ensure that they receive treatment in time.

Please dig deep and help us smash our fundraising target! Please click on the link to donate on my Just Giving page: www.justgiving.com/fundraising/colin-dowling-london-10k

Thank you,

Colin Dowling
