## NEW PARTNER ANNOUNCEMENT LIMCO LOGISTICS LLC (Ukraine)

### Company Profile

Any shipping needs a responsible and bonafide carrier. Especially if it is an international transportation of bulky goods. The companies involved in this field are responsible for the safety and timely delivery of the values entrusted to them. Therefore, it is so important that your carrier company is credible.

Limco Logistics - the leading company licensed to deliver goods from the United States, issued by the Federal Maritime Commission of the United States! In Ukraine, representative offices are deployed in Odessa and Kiev.

**Limco Logistics offers the following services:**

- Container and Ro-Ro shipments by sea and air transport from the United States around the world
- Transportation of oversized cargo, as well as cargo of high level of danger

- Freight transport by road in Europe and the CIS
- Container railway transportation from China

### **Limco Logistics in Ukraine:**

As a market leader in transportation from the United States, with a wealth of experience in the CIS and the European Union, the international logistics company Limco Logistics was able to take a leading position among freight forwarders in Ukraine. In Ukraine, we offer:

- Sea container shipping through Ukrainian ports
- Forwarding of freights in the ports of Odessa and Ilyichevsk
- Railway and trucking from CIS countries
- Transportation of high-risk and oversized cargo
- Air freight
- Warehouse services, cargo handling
- Services of an accompanying nature - insurance, documentation of export / import and transit

The experience of our company in this market segment, as well as the strict qualification selection of staff for the staff, make our logistics solutions in the field of cargo transportation as efficient as possible.

### **Today we offer our customers:**

- Impeccable quality of our services
- Transparency and trust at all stages of cooperation
- Defending client interests at all levels
- Competitive pricing policy
- Highest level of liability and unconditional guarantees

The international transport company Limco Logistics is a recognized leader in the field of transportation!
