At every United Shipping Worldwide Meeting we hold a drawing for 4 prizes to help with the next meeting's travel and airfare. During our Vienna meeting, at Thursday's General Session, attendees placed their business cards in a basin and the winners were drawn.

Tino Volpe from New Transport Milan (Italy) and Red Ramdas from Airwaves (South Africa) both won a Round-trip Airline Ticket for the meeting next year!

We will have another drawing next year! Make sure you are there with your business card ready for your chance to win!

Terry Munday Memorial Award Recipient

Fred Hall - Fred Hall & Associates

An Open Letter to All United Shipping Partners

For those of you who have been a part of United Shipping for some time, you no doubt will remember Terry Munday. Terry was the founder of Anglia Forwarding in the UK, was USI's Chairman of the Board for a number of years, and I'm proud to say was my very dear friend and partner for over 20 years, prior to his untimely death in 2009.

During my tenure as President of USI, and after Terry's passing, I created the Terry Munday Memorial Award. An award that would not be given on any time schedule but would be given at the President's discretion to people who had worked hard to help United Shipping, and its partners, grow from programs and by working together to build business. We had four mahogany plaques made with Terry's picture, that could be used going forward. Only three awards (plaques) had been given out during my time; one to Greg Treco, one to Derek Moxon, and one to Jim Swift.

As those who were present at the Awards Banquet in Vienna know, I was honored (and most certainly shocked) to be presented with the Terry Munday Memorial Award, in the form of an etched crystal award. I was overwhelmed by sentiments expressed by those whom I passed or hugged along the way to receive the award. The ovation by all touched my heart, but your love and

friendship has touched my soul. And while I should have attempted to saying something, I was in tears and certainly no condition to speak.

However, I would like to take this opportunity to thank Greg Treco for giving me this very special award and for the very kind words, which were written by Ola Treco, who always has a wonderful way with words and timing. I also would like to thank the Board of Directors, with whom I have served for so many years, and those who helped and supported me during my time as President. And finally, I want to thank all of the many partners for your support, kindness, and most importantly, for your friendship. It has been my great pleasure to serve this organization and its partners for over 30 years. And I hope to continue serving all of you for many years to come.

In deepest humility and with best wishes,

Fred Hall

Happy Retirement Norbert!

Dear Friends,

After nearly 47 years working in worldwide shipping, I am now looking forward to my new private challenges. With mixed feelings I am leaving Alfons Koester to start my retirement. Wednesday, May 21, 2019, is my last working day, my official retirement commences August 01, 2019. With this message I wish to express my sincere thanks to you all - for the business we have mutually handled, but moreover for the friendly relationships that have been built up over the years.

Thank you for your support and services in the past, I hope you will continue to support my colleagues in the same manner.

I wish you all the very best for the future.
