**Note of regret at the passing
of Manuel José Rosa**

Dear Partners, Customers and Friends,

It is with deep sadness that we announce the passing of Manuel José Rosa, last Friday, March 27th.

Rangel Logistics Solutions expresses its deep regret at his death and is associated with the grief and pain felt by family and friends.

He always distributed joy, good cheer and humor to all who enjoyed his presence. It is a huge pain to see he leaves so soon. Manuel loved life like no one else... we will miss him a lot.

He was a fantastic person, a true ambassador for Rangel wherever he went, and he will continue in each one of us, who will do everything to honor and continue his work and dedication. But more than that, a true Friend; friend of all colleagues, customers, adored by everyone!

In this moment of great sadness, we offer our condolences to Manuel José's family and friends.

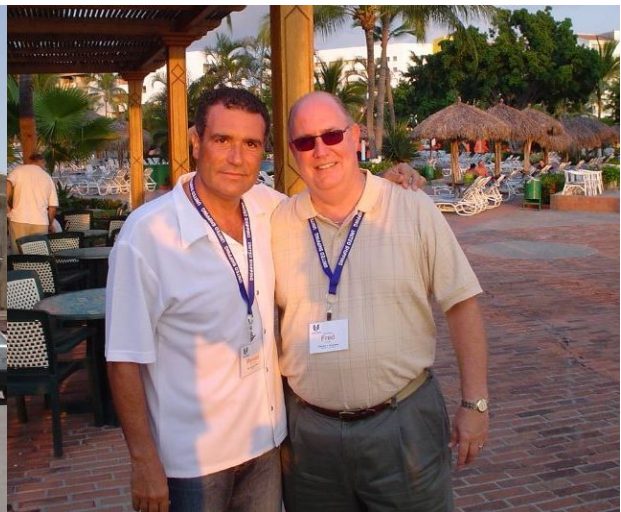

Sincerely,

Nuno Rangel

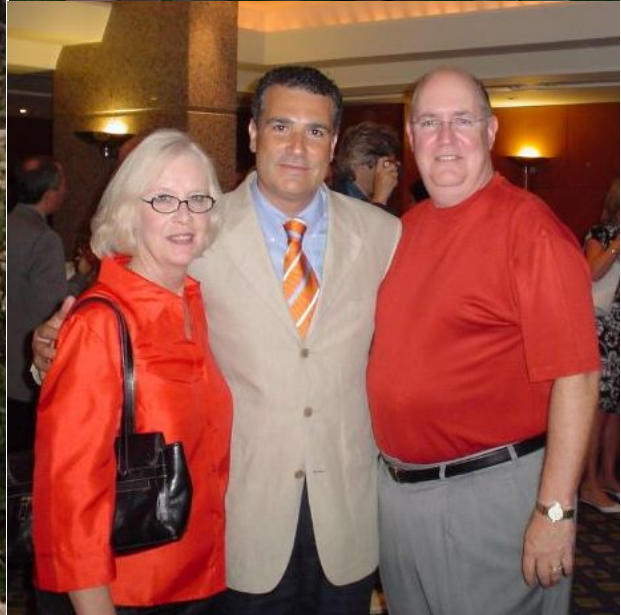

Chief Executive Officer

Vice-President of the Board

You will be forever be loved and missed by your entire USI family.
