Meeting Mojo One-on-One Scheduler

Please read below. Very important information you will need to know.

This year USI is using Meeting Mojo for your One-on-One scheduler.

If you are signed up to attend the upcoming Worldwide Meeting and have

requested to be the delegate handling the OOO scheduler, you should have received an email with a link and log in information. If you have not - please contact either Michael or Lacey immediately.

Please remember to also log into your account on your cell phone so your log in information is saved and ready for the meeting. If you do not and cannot access your MM account once the meetings start, this could make you miss some of your OOOs until you can get logged in to see your schedule. Please do this today so it is not an issue. Please bookmark the link as well for easy use.

You will be able to print a PDF of your meetings once your scheduler is full. USI Corporate **will not** have a printed copy of your meetings this year. In previous years we have always had them for partners, but we will not this year since Meeting Mojo allows you to see your schedule on your phone as well as print your own PDF.

For anyone who has scheduled a virtual meeting, please remember to use earbuds or a headset. This is so there will be no loud feedback to disrupt your meeting or anyone else's. Please remember this must be done on a laptop. Cell phones do not work well for this particular format.

Awards Banquet Dinner Attire

Because we will be at a resort, we would like to keep this theme in mind when attire is concerned. This year, for the awards banquet, you are welcome to come in more casual attire. "Resort-Evening Casual" is what we are calling it. If you prefer to wear business attire - that is fine as well. But, the choice is yours. Please remember that if you are receiving a tenure or other award, your photo will be taken.

On-Site COVID Testing

If you will require a COVID test to be done before your flight back into your country, the hotel has an on-site testing facility to assist. Thus, eliminating the stress of locating a testing site before you flight. This can be set up by contacting the concierge after you have checked in. Please do this after you check-in. As you can imagine, their testing site will be very busy with so many people leaving the same day.

Corporate News

AR Reports

Your April AR Report will be due May 10. All AR Reports should be filed by the 10th of each month. Please log in to our website and file your report today. If you do not have anything to report, a *Zero Report* is still due. Every partner is required to file this report in order to maintain MLGP benefits.

If you are a new partner and have questions about this process, please contact

the [Corporate Office](#).

Please Hold April Bills of Lading

Due to traveling for the Worldwide Meeting please do not submit your April Bills of Lading until you receive an email from the Corporate Office. You will still receive an email listing what is due, but it will be emailed around mid-May. At that point, you can submit your Bills of Lading. Thank you for your understanding.

Holidays
