A GLOBAL INFORMATION SOURCE FOR FORWARD THINKERS

### Meeting News

#### Poll Results

In the last edition of our Network News we took a poll to see which commemorative glass/mug you would prefer for our next meeting in Cancun. As we are still getting votes, the totals aren't in yet. But, so far it's been interesting to see what you all thought. The Margarita Glass and Coffee Mugs are TIED. The Daiquiri Glass made a

valiant effort, but the overwhelming majority voted for the others. There is still time to vote! Click the [link](#) and vote for your favorite! Voting will end on September 2nd!

#### To Swag or Not To Swag....That is the Question

In Vienna, there were several partners who asked the Corporate Office about bringing "swag" to the meetings. To all who attended or have attended in the past, I'm sure you have seen the Swag Table we always have set up for partners to place their promotional items on. The answer is simply this: it's up to you whether you choose to do so or not. Some partners choose to, while others don't. The only thing we do ask is that you set it up on the table and take back what's left, if any.
