A Holiday Message from USI Corporate

Dear Partners,

Whether you are reading this message from your home office or from your office at work, I think we can all agree that 2020 has been the kind of year that we were not expecting and are all ready to kick to the curb. The collective prayer around the globe is that 2021 be better, people stay healthy and that normalcy is restored.

United Shipping has gone through its own share of changes this year. Michael McKay, our new Director of Operations, has come on board and has fit into the role perfectly. We have had new partners join our organization and we are constantly growing to be the best Network that we can be. Ever evolving, ever flourishing, United Shipping is only getting better and better.

Our holiday wish for you, first and foremost, is your health and wellness. We also wish you continued success in building solid relationships with your USI partners, near and far.

May your holiday season be filled with prayer, love, and family.

Warmest Regards,
United Shipping, Inc.

Dear valued customers and business partners,

In June 2020, Nauta SA with its HQ in Muenchenstein, Switzerland, has acquired 100% of the share capital of Bonatrans AG with its HQ in Pfungen, Switzerland.

We wish to inform you that all business activities of both companies will be merged and managed under the Nauta brand as of January 1, 2021.

Most importantly, you will be able to further rely on your personal contacts whom you are accustomed to for the reliable execution of your transport orders. Needless to say that your personal contacts will answer the phone with "Nauta SA" in the very near future.

Telephone numbers will remain unchanged whilst e-mails will be deviated to the new domain of Nauta SA (@nauta.ch). You may wish to change the mail addresses of your "Bonatrans" contacts to the new ones after some time.

Swiss import customs clearances, export clearances, transits etc. will be done in the name of Nauta SA, and Nauta's deferred accounts with customs will be used as January 1st, 2020. Any provisional clearances, however, will still be finalized and closed under the Bonatrans accounts.

Effective as of January / February 2021, all business documentation, such as invoices, delivery notes, shipping advices etc., will be issued with the Nauta logo.

Your familiar contacts will gladly assist you with any questions or queries you may have.

Anglia Name Change

This is to inform you that from January 1, 2021, Anglia Forwarding Limited will change its name to Delamode Anglia Limited.

On and after this date, all invoices raised will come from Delamode Anglia Limited. All other terms and conditions remain unchanged.

Please note that our email domains will also change on January 1, 2021 from firstnamesurname@anglia-forwarding-co.uk to firstname.surname@delamode-group.com and we kindly request that you update your system records and mail controls to help prevent emails from us being blocked.

In 2018, Anglia Forwarding was acquired by Xpediator Plc, an international freight management Group. As part of a strategic decision to consolidate the UK freight forwarding operations Anglia Forwarding will adopt the Delamode International Logistics brand and trading name of Delamode Anglia Limited from January 1, 2021.

Please note that if you are also a customer of Delamode Plc and/or Benfleet Forwarding, companies of the Xpediator Plc Group, that your relationship with them will continue as normal. This imminent change only effects Anglia Forwarding at present and we plan to write to you in January 2021 with a further update.

As a side note, I wanted to remind you that we are here to support with your freight flow requirements and assist with the smoothest possible transition from January 1, 2021. I am delighted to confirm that our AEO, comprehensive guarantee, duty deferment account and ETSF provisions will also transfer to

Delamode Anglia Ltd. As a business, we are prepared for all eventualities and our team of Customs Clearance experts lead by Colin Dowling are here to fully support with the preparation of your export and import entries, in the event of the EU and UK reaching a no trade deal - helping you to be compliant and reduce the risks of border disruption and delays.

If you have not already done so, please contact us to advise how you nominate us as your "customs clearance representative."

Thank you for your business and the responsibility you have entrusted us in managing your freight requirements. We wish you a healthy and Merry Christmas and look forward to a continued and successful partnership together in 2021 and beyond.

My bedroom closet is full of Amazon boxes. Zero presents are wrapped. Laundry is everywhere. Kids are screaming and fighting. The house looks like a crime scene, and the only food in the pantry requires a recipe that I'm not sure I can pull off.

Also, I'm 90% positive I'm forgetting something...or someone.

This is fine. I'm fine.
