## Corporate News

### Please Update Your Partner Page

We always ask that your partner page on the United Shipping website be kept up-to-date. This is just a reminder to log in and make sure everything is still current. If you need to change any information, please email the [Corporate Office](#) to let us know.

This is also the perfect time to check that the users for the website are still accurate for your company. If you need to add someone so they can have access to the United Shipping website or if you need to remove an employee that is no longer employed with you, just send us an email and we will be able to assist.

### Tariff Filing Reminder

When you file a rate you must list a commodity description - not a brand name. Communication to resolve this will delay your rate being filed in the Tariff.

### USI Accounting Contact

Please make sure you are using our accounting admin's email address when submitting all financial requests or questions. You can reach Alban at [accounting@unitedshipping.com](mailto:accounting@unitedshipping.com).

### **AR Reports**

Your December AR Report will be due January 10. All AR Reports should be filed by the 10th of each month. Please log in to our website and file your report today.
