- The first postcards used were in Austria

#### **52nd Worldwide Meeting May 13-17, 2019**

Plan early! The Corporate Office began the early stages of planning for this meeting before Philadelphia. Being prepared and planning thoroughly is the best way to get the most out of the WWM.

Choose a delegate now. Who will attend? Will you send multiple people? This gives your representative(s) time to plan on what they want to accomplish and who they want to meet with. This also allows them time to create a memorable presentation to those partners during their One-On-One Meetings.

### It's Time to Update Your Partner Page on the USI Website!

It is that time of year again. We are asking that you log in to the United Shipping website and review your partner page. Why is this important? It's simple. Our partners use these pages as a reference and tool when contacting you. We need to make sure your address, contact information, employee listings and banking information are kept up-to-date. For that, we need your help. Please review today and let us know if any changes need to be made. You can email us at [support-usi@unitedshipping.com](mailto:support-usi@unitedshipping.com) with any pertinent changes. Once they have been made, we will let you know so you can review.

### Unitedshipping.com - Are You Using All the Features?

Did you know you can track your shipments? Use the Tracker Tool to keep tabs on your UPS, Air Cargo, Container and Bill of Lading.

TRACK SHIPMENTS

### Tight US Surface Capacity Requires Early Peak Season Shipments

**JOC**  
.COM

In the past, resourceful Supply Chain managers always had alternatives in their hip pocket to meet the unexpected. Tight truck capacity? Use intermodal. Intermodal service hiccups? Just dip a bit deeper into the qualified trucker carrier list to get the loads moved. But what happens when those trusty alternatives don't work. To read the full article
