Welcome to Vienna, Austria!

Austria is a very small country.
The population is 8.7 million.
Our capital is Vienna, but other
major cities include Salzburg,

Vienna is a city with a very high quality of life, a feature that is highly appreciated by many visitors who come to the Austrian capital. Vienna is located in eastern Austria and is very close to Slovakia, Hungary and the Czech Republic.

During the long history of Vienna, we have acquired a lot of old buildings, parks and places. Vienna is also the home of music, theatre, museums etc.

Austrian cuisine is a style of food native to Austria and composed of influences from throughout the former Austro-Hungarian Empire. Austrian cuisine is most often associated with Viennese cuisine, but there are significant regional variations.

Popular dishes of Vienna include Tafelspitz, Gulasch, Wiener Schnitzel, Powidl, Apple Strudel and Kaiserschmarn.

When you visit Vienna/Austria you come as a stranger and leave as a friend.
