### Vienna Events: The Breakdown

Whether you have already signed up or are still on the fence - here are the planned events we have outside of the meeting. Don't miss out! Sign up and join

us for fun and beauty in Vienna.

## City Tour & Lunch

We have combined two of Vienna's best tours into one great day! First, we will see beautiful Vienna's landmarks and explore its history on a bus tour. Then we are off to Schonbrunn Palace! Schonbrunn represents one of the most important pieces of Austria's cultural heritage.

Here you will see an apple strudel show/demo (and tasting!) and a "highlights" tour of the Palace. We will see Schloss Schonbrunn Garden and experience all its beauty! Afterward, we are off to have lunch overlooking this breathtaking city!

## Colony Club Golf

36 generously sized fairways on a 130-hectare area guarantee a golfing experience of another dimension. Separated by lush vegetation and visually beautiful ponds, the fairways are strung together in a flowing harmony. Wide fairways, sufficient landing zones and perfectly placed obstacles make parkland courses a new experience every time

you play. Ryder Cup Captain Sam Torrance on the PGA Austrian Open 1993: *"These two Parkland courses with not only a signature hole, but several attractive, always remembered fairways, count for me to the best in Europe."*

## Dinner Cruise on the Danube River

At dusk, starting at the Schiffsstation Wien/City on Schwedenplatz, you cycle through the city center on the Danube Canal in a loop ride and sail into the sunset after the Nussdorf lock on the Great Danube. We will set sail on the MS Vindobona, otherwise known as the "pleasure ship of dreams." This will be an amazing outing that should not be missed!

## Wine Tasting & Vineyard Tour

This event at the vineyard Christ will start with a tour through the production and the cellar. We will have a wine tasting with 4 wines. After, we will be served a hearty snack perfectly paired with their delicious wine. Weather permitting, we will be able to use the garden. If not, we will use their "winter" garden.
