Important Announcement for ALL United Shipping Partners

This message is to advise you that our partner/member in Tunisia, Assistance Mondiale Garantie, has been expelled from United Shipping. Please note that all transactions from this date, May 12, 2020, will not be covered by the MLGP program. It is unfortunate that, at times, we have to make such a decision but we also understand the value of your dedication and contribution to USI and how important it is to protect all partners/members of United Shipping.

During these never before seen times, no matter how urgent or difficult your shipment is, we can deliver hopes and keep our promise.

In a period when the Chinese airfreight regulations are changing frequently and the international demand to ship medical equipment from China has reached not seen before peaks, our airfreight team managed a true achievement! We booked and brought 4 medical equipment full charters from China to Romania totaling around 810 cbm and 93 tons:

Boeing B787-9: ETD PVG, ETA OTP 08.04.2020, 23 tons, 190cbm (this first batch was sold by the biggest online store in Romania in less than 1 day)

Boeing B787-9: ETD PVG, ETA OTP 12.04.2020, 21 tons, 190 cbm

Boeing B777-300: ETD HGH, ETA OTP 24.04.2020, 28 tons, 240 cbm
IL76F: ETD CGO, ETA OTP 02.05.2020, 21 tons, 190 cbm

Another 4 charters were handled in April on the Otopeni Henri Coanda International Airport. Each were properly cleared in customs and their medical cargo was safely distributed for one of our good partners.
