Our host partner, Jade International, was there to help all of the partners and a big THANK YOU to them for sponsoring the Phillies Game!

We are asking everyone who attended to submit photos and videos. We will compile them all and add them to our website. We want everyone to share in the special memories made.

Marino Ballo: USI's Resident Jokester

Son asks his father, what is politics?
Father brings money home, he is the capital.
Mother looks after the money and spends it,
she is the government
Grandfather looks that everything runs all right,
he is the labour union
Anna that works for us in the household, is the
working class
Who are we doing that for? You! You are the
people
Your little brother that still lies in diapers, that is the future

At night the son wakes up because his little brother is crying because he shit in the diapers,

So he is looking for help
His mother is in deep sleep and he cannot wake her up
So he goes to Anna, but she is in bed with his father
Grandfather is watching through the keyhole
So he is fed up and goes back to bed

Next morning at breakfast his father asks him do you know what politics is?
Son says yes now I understand
The capital abuses the working class
The union is watching
The government is asleep
People is ignored
And future lies in shit

I NEVER
DREAMED
ABOUT
SUCCESS.
I WORKED
FOR IT.
