## NETWORK NEWS

*A GLOBAL INFORMATION SOURCE FOR FORWARD THINKERS*

### Corporate News

#### Limited Agent Forms

United Shipping has an updated it's Limited Agent forms. If you need the latest forms, please [email](#) the Corporate Office and we will send them to you. We will no longer accept the previous forms.

#### Holiday Emails

United Shipping always receives dozens of beautiful partner holiday emails/e-cards to be sent out to the Partnership during the holiday season. They typically all come in around the week of Christmas. We are asking that if you wish to have these published, please send them no later than Friday, December 18. Anything received *after* December 18 will not be published. We will compile them for the December edition of the Network News that will be sent out Wednesday, December 23.

#### UPS Holiday Schedule - Dates to Know!

With the holiday season upon us, we have compiled the ship-by dates for all packages to be delivered by December 24, using your USI UPS Campus Ship account. If you need the full UPS holiday schedule, please click [here!](#)

Want it there for the holidays? Make sure you send it by these dates.\*

**December 15** UPS Ground®

**December 21** UPS 3 Day Select®

**December 22** UPS 2nd Day Air®

**December 23** UPS Next Day Air®

And with any package being sent, if the contents are valued at \$100 or more, please use a Declared Value on your package.

If you are a US partner and would like more information on our UPS Program, please [contact us](#) and let us know!

## December Holidays

*Click the photo to see the holiday list!*

## Corporate Office Will Be Closed

This is just a friendly reminder that the Corporate Office will be closed November 26 for the Thanksgiving holiday. We hope your day is blessed with good food, good company and lots of love!

Happy Thanksgiving!

## Way Back Wednesday

Do you have any great old photos you want to share for WBW? Throughout the years, you, THE PARTNERS, have taken some great shots which captured amazing memories. Share them with [us!](#)

## Got News?

Please send the Corporate Office any updates on your company, new employees, current or completed projects, awards and/or anything you want to share with our USI family! Photos, videos, or presentations are always a plus! Please send all submissions to us today!

**BIG News from Vabix**

# We are very proud and pleased to share some news with our partners.

This month the construction of our new Head Office and warehouse started. Allround Cargo Handling, which is the parent company of Vabix Logistics, will have a brand new office (800 sqm) and a new warehouse (24000 sqm). The warehouse will be mostly foodgrade, but also 5000sqm general cargo. The warehouse will be partially temperature controlled and will be prepared for storage and transshipment. We expect to open our new head office and warehouse in June 2021.

We have great partners all over the world and we want to be the best (Dutch) partner for you. So if you have any question or if you see an opportunity and need our assistance please contact us. We are ready to make our relationship stronger than ever before.

Phone : +31 (0)88-3388666

E-mail : [sales@vabix.nl](mailto:sales@vabix.nl)

A rebranding of our corporate identity is also on the way. A small preview you can see in the logo's.

We will continue to use our current offices and warehouses of Vabix Logistics in Rotterdam, Rotterdam Airport and Amsterdam for our RoRo Service, Ocean Freight, Air Freight and Customs Documentation. The Vabix warehouse (5000 sqm) in Rotterdam is specially designed for chemical and hazmat storage. Our airfreight offices and warehouses can a.o. handle pharma, hazmat and perishable products.

We are very proud of our growth and believe that with the current and future facilities we will be able to serve our customers needs even better than we have been able to do so far.

E-mail address:

[laurelle.lao@cnt.com.ph](mailto:laurelle.lao@cnt.com.ph)

Contact number: +63-917-831-00-99

CNT would also like to announce the following promotions!

## Dennis Levosada – New Managing Director

Dennis' responsibilities now include overlooking all processes of our departments. I think we shall all be in agreement when we say that we are all proud of Dennis.

His years of excellence and hard work even beyond his duties have been a great inspiration to us all. His passion for his job and his compassion for each employee have proven him truly worthy of this promotion.

## Malou Soriano – Promoted to Marketing and Sales Manager & Mike Jose – New Customer Service Manager

Malou and Mike have achieved great things, helping us service and provide excellent customer support. We are confident that they will continue their excellent customer servicing and lead their team to higher quality service.

## Cyclone NIVAR Update

Please find the update below on the cyclone in Chennai, India.

This is to inform all that there is heavy raining in Chennai, India and coastal districts of Tamil Nadu State since Monday, November 23, 2020, as Cyclone NIVAR formed in the Bay of Bengal.

According to the India Meteorological Department (IMD), the cyclone is expected to grow stronger by the evening of Nov. 24th and become a severe cyclone and make landfall between the regions which are about 60 kms to 250 kms from Chennai, with wind speed in the range of 100 -110 kmph and gusting to nearly 120-140 kmph.

The storm will increase rainfall from Tuesday (Nov 24) to Thursday (Nov 26).

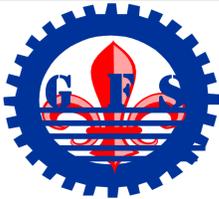

The Tamil Nadu State (Province) Government has declared public holiday on November 25, 2020.

## Happy Birthday Delamode Baltics!

## Farewell, Friends

Dear Friends,

Sometimes in life there are certain events and periods that come to an end. Such period is my working time in Delamode Bulgaria and November 13, 2020 will be my last working day here.

After spending 5 years in the company I decided to pursue a new challenge in my life and accepting a new role in a completely different industry. I hope this is the best for me and my family and also the needed step for my further personal and professional development.

From the bottom of my heart I want to say a big THANK YOU for your great work, great attitude and patience with me, for all the lessons we have learned together and for the great memories in the industry of Freight Forwarding!

Below I leave my personal contacts if anyone wants to keep contact with me.

E-mail: [s.tichev@abv.bg](mailto:s.tichev@abv.bg)

Cell phone: +359886330420

LinkedIn: <https://www.linkedin.com/in/slavi-tichev-88135544/>

At the end I want to wish you be healthy, strong and always see on the bright side of life!

Cheers,  
Tichev

## Partner Spotlight

### IFC Global Logistics Pty Ltd

#### Australia

As a leading international freight logistic company, IFC Global Logistics has been delivering first-class supply chain solutions since 1991.

Our company synergies incorporate a comprehensive range of end-to-end supply chain services and solutions that can be completely tailored to meet our customer's individual requirements and service expectations. We understand innovative approaches are required as the dynamics of successfully managing a seamless supply chain differs depending on the particular industry or situation.

IFC are professionals at identifying strategies to help our clients save money, time and expand their business. Our extensive international logistics network presents significant commercial opportunities to our customers, enabling us to identify cost and time saving opportunities through our complete range of services including:

- Comprehensive International offshore 3PL Consolidation

- Import and Export Sea and Airfreight Forwarding
- National Warehousing and Distribution
- Customs Brokerage and Consultancy
- Sophisticated I.T Technology and Tracking

IFC offers unique and customized end-to-end trade solutions that are not available in the mainstream transport and logistics sector. We are committed to continuously developing advanced logistic resolutions to ensure our clients are always competitive in the dynamic market environment in which they operate. IFC can develop customer specific solutions and make a substantial difference to our client's overall operational efficiencies. Using the right combination of our skills, systems and people, and our in depth understanding of the requirements and expectations of our customer's industry, we are currently adding great value to our clients around the world.
