### **Employees Become New Owners of MTA!**

## **FOR IMMEDIATE RELEASE**

**Berea, OH September 20, 2021**

### **EMPLOYEES BECOME THE NEW OWNERS OF MTA LINES**

Midwest TransAtlantic Lines, Inc. (MTA Lines) celebrates a transition to ownership by the company's newly established Employee Stock Ownership Plan (ESOP). The company announced to employees this month that company founder Richard Gareau has finalized his plan to make MTA Lines a 100% employee-owned company.

Rick has created long working friendships, relationships and great respect for himself and this company worldwide. We would like you to join us in thanking him for giving all current and future employees this great opportunity to own the company they work for.

Established in 1980 as a licensed Freight Forwarder and NVOCC, Midwest Transatlantic Lines, LLC has experienced rapid growth within the industry. Answering the demands of our customers, we have expanded our services to accommodate a broader scope of clients. As Customhouse Brokers, IATA Agents, Transportation Consultants, and as a Bonded Container Freight Station, MTA has grown the capabilities of fulfilling all international requirements of our customers.

Rick notes that "This provides a smooth transition for MTA Lines. We can continue the great relationships we have with our business partners and serve our customers without any disruption." Rick will continue to be part of company leadership as a member of the Board of Directors for MTA Lines.

## **Happy Retirement, Rick!**

The King of Freight has retired! Rick Gareau,

president of Midwest Transatlantic Lines, has hung up his crown for retirement. As the story above says, MTA has now become a 100% employee owned company.

Rick Gareau is the third child of twelve children and was married in April of 1977 to his wife Renee. Rick and Renee have three children, two of which work for MTA, and six grandchildren.

Rick received a Bachelor of Science degree from The University of Dayton in 1976. He started Midwest Transatlantic Lines in October of 1980. MTA joined United Shipping in 1990. Rick became a member of the Board of Directors in June of 2003 and served on the Board until 2018. Rick was also the Treasurer of USI for a number of years. He served on the Membership Committee, Executive Committee, Golf Chairman, and has been named Partner of the Year many times. He has traveled the world promoting USI.
