October Bills of Lading

Your October Bills of Lading will be due into the Corporate Office by November 10. Please send all Bills of Lading in one PDF.

A TLI Number or NRA Number must be entered on **ALL** Bills of Lading with shipments coming into or being exported from the United States. This must be done upon issuance, not just before being sent into the Corporate Office. This is an important detail that **MUST** be followed. Any US Bill of Lading sent without this information will not be accepted. If you have a question or are unsure about something, please contact the [Corporate Office](#) and we will help you.

AR Reports

Your October AR Report will be due November 10. All AR Reports should be filed by the 10th of each month. Please log in to our website and file your report today. If you do not have anything to report, a *Zero* Report is still due. Every partner is required to file this report in order to maintain MLGP benefits.

If you are a new partner and have questions about this process, please contact the [Corporate Office](#).

Congratulations IFC Global Logistics!

Dear Colleagues,

Our Future Together

I am sincerely grateful to the teams that dedicated so much patience, understanding, time and efforts to make today a reality and I hope our present systems, dashboard, dash logs, auto email alerts and reminders, audit system, SOP - Standing Operating

Procedure is the right one for CNT.

The past 2 years tested us in so many unimaginable challenges and ways, yet you continued to be trusting that all will be better.

Thank you for your care, your efforts to understand, your acceptance of the changes, your resilience and sense of purpose throughout this ongoing pandemic. I think we are a stronger performing company - across all measures - than ever before in our 31 years history.

I am sincerely thankful to each and everyone of you, and I am very proud of the tremendous progress we have made together.

For the past 31 years, this is what has defined our story - One Staff, One Family - being there for our CNT colleagues and together building a more stable and confident future.

Looking ahead to our next chapter, we will uphold this commitment to those we serve - and that includes all of you.

My journey in our CNT is not perfect. I have made mistakes and wrong decisions. It is also a continuing learning process for me. I apologize for my shortcomings. I hope we can strive to create an inclusive, highly collaborative work culture where our team can grow, thrive and contribute to the good of CNT - One Staff, One Family.

We continue to build CNT with these new systems, SOP (Standing Operating Procedures), Dashboards, Dash Logs. We hope to integrate best practices and lessons we have learned in our journey since I returned to Manila full time in 2020 with valued elements of in-person collaboration, to fashion a new way of working together that will encourage meaningful connections across our departments, our office, our customers and agents.

At the same time, I hope it will give us opportunities to re-embrace a deeply human practice I believe remains - working together in person toward common goals.

The past months have been challenging and undoubtedly, the coming days and weeks and months will bring new learnings as we set or reset new routines in our daily lives and solidify new standards for how we engage and collaborate with one another. Just as it took time to adjust to working together in the pandemic, our future work approach will require similar understanding and patience.

So I encourage us all to be kind and gracious to ourselves and empathetic & respectful towards one another, as we navigate the future as CNT family.

I look forward to implementing our new systems and common goals and hope to succeed in this future work endeavor.

I hope we can all unite in our common goal - By working together to be an even better, more - connected CNT organization.

I hope we will continue to shine and make CNT a source of love, pride for all of us.

Delivering a better tomorrow for all of us.

Angel Wings

Sincerely,

Jeff Tan

Founder, Chairman and C.E.O.
