

NEW PARTNER ANNOUNCEMENT TUNISIA INTERSHIP (TUNISIA)

Company Profile

Tunisia Intership is one of the most renowned international transport organizers (sea, air, road), logistics and transit solutions, operating throughout Tunisia and connecting countries around the world. It has built its growth and reputation thanks to recognized know-how, intelligent partnerships and management based on the quality and optimal satisfaction of its customers and members.

Founded in January 2005 and located in the strategic port area of Greater Tunis (Rades and La Goulette), Tunisia Intership is the result of a model merger in the field of multimodal transport, logistics, transit and customs clearance.

Tunisia Intership is led by two pioneering professionals in the field of multimodal transport, logistics and transit, Mr. Heykel Ben Sedrine and Mr. Abderrazak Bouricha, who are also at the head of a group of integrated companies. They are also among the leaders in their fields of activity: ship consignment, forwarding, customs clearance, transit, seaside and medical tourism service, property development and agriculture.

Our perfect mastery of the chain of port, air, logistics, clearance and transit services, end-to-end multimodal transport and our privileged relationships with all stakeholders in the chain, allow us to guarantee our customers and partners of quality services: needs analysis and advice, optimization of procedures, efficient coordination, cost control in terms of logistics and organization of transport and security of goods.

The quality of our services, the efficiency and professionalism of our management, the relevance of our strategic choices as well as our rich and long experience in the field of international transport have made Tunisia Intership the agent general of the owner Hambug Sud in Tunisia, which is one of the world

operators of maritime transport, connecting Tunisia to the five continents.
